RHODES COLLEGE STUDY ABROAD EVENTS

NYC Internship Information Session

[Thursday, Sep 23 @ 4:00 - 5:00 PM CST]

Spence Wilson Room, Briggs Hall

Spend the Fall Semester 2022 studying and interning in the Big Apple! Rhodes' unique internship program results in a full semester of 16 credits, made up of an 8-credit internship in New York City and two 4-credit courses on the "History of the People of New York" and "Theatre in New York: The Creating of a Culture and Career." These are Rhodes courses and your institutional aid is portable for this program.

The NYC academic (unpaid) internships are unique to the student. We will help students to identify potential internship sites in their areas of interest, but flexibility is key. We currently have interns on this program working in a housing equity firm, an upscale/luxury clothing consignment business, the City of New York Small Business Division, and an NGO supporting family/individual development in the face of adversity. Intern and study in the city that never sleeps! Come to this information session to learn more!

AFFILIATED PARTNERS' STUDY ABROAD EVENTS

Affiliated Partner

Affiliated programs are either third party providers or exchange programs who have partnered with Rhodes. When you go abroad with them, you are fully considered a Rhodes student while abroad. You continue to pay Rhodes like normal for whatever is included in the program (tuition/room/board), meaning all your financial aid will go with you. Your pre-approved courses will count towards your degree.

RHODES GLOBAL DELEGATE SPOTLIGHT

Name: Katy Nau c/o 2022

Major/Minor: Art History/GSST

Program(s): ISA Summer Internship & Experiential Learning in Florence, Italy (Summer 2021); Rhodes College Summer Program in London (Summer 2019)

"I had the opportunity to study abroad summer 2021 in Florence Italy where I participated in a gallery internship and took an Italian food and culture class. During my time abroad I was not only able to explore Florence but also traveled all around Italy to places like the Amalfi Coast, Rome, Cinque Terre, and Pisa. One of my favorite parts of Florence is how walkable the city is- walking past the Duomo every day and through the Palazzo Vecchio never got old. As an Art History major I was able to see firsthand the Italian Renaissance and Baroque art I have studied at Rhodes- which really brought everything full circle. I am so thankful that I was able to live and study in such a beautiful lively and historic place this summer and can't wait to go back!"
