AFFILIATED PARTNERS' STUDY ABROAD EVENTS

Affiliated Partner

Affiliated programs are either third party providers or exchange programs who have partnered with Rhodes. When you go abroad with them, you are fully considered a Rhodes student while abroad. You continue to pay Rhodes like normal for whatever is included in the program (tuition/room/board), meaning all your financial aid will go with you. Your pre-approved courses will count towards your degree.

RHODES GLOBAL DELEGATE SPOTLIGHT

Name: Madeleine O'Toole c/o 2022

Majors: Business and Urban Studies

Program: Thailand Maymester (Summer 2019)

"The Thailand Maymester was one of the most enriching academic experiences I have had at Rhodes. The city of Chiang Mai served as our classroom as we studied Thai Buddhism. My favorite part of my experience was living in a monastery in the countryside for a few days and getting to witness a 'shaving of the head' ceremony. Chiang Mai is an amazing place to travel as it has amazing food, coffee, markets, accessible transportation, and a rich culture. I could not recommend this Maymester enough!"
